

PLEASE READ THESE NOTES BEFORE COMPLETING YOUR ORDER

Granite Kerb Plaques provide a long lasting form of memorial to the deceased. Made of polished grey granite they are resistant to the effects of weathering and are easily cleaned. If you would like a personal place to visit in the Garden of Remembrance, this type of memorial may provide what is needed. We can inscribe your own choice of words but we suggest you look at the examples shown overleaf before deciding. Granite Kerb Plaques are available in two sizes:-

Single Width Plaques provide a small vase and enough space for a 5 line inscription of 16 letters or digits per line. We can inscribe the name of the deceased and a short epitaph (*Example 1*) or the names and dates of death of two persons (*Example 2*). By inscribing only 3 lines it is possible to leave room for a further inscription at a later date (*Example 4*).

Double Width Plaques offer double the space for inscription and a second vase facility. The extra space allows for the name of the deceased and a much longer epitaph (*Example 8*). It is also possible to have an image of your choice engraved beside the names of 1 or 2 people (*Example 10*). Alternatively as many as four names and dates of death can be inscribed, and, as with single plaques, there is the possibility of leaving room for further inscriptions (*Examples 5 & 7*).

Plaques can usually be viewed 6 – 8 weeks after receipt of your order, though we may be able to achieve delivery by a particular date if requested. Upon delivery of the plaque, you will be contacted on the telephone number or at the address that you have provided below. Subject to available space, you may choose the location in which it is to be displayed.
