Website: <https://stormmeister.com/>
Contact name: Malcolm Snape
Supply: A range of products

Please note whilst the applicant is encouraged to use the recommended contractors and surveyors, the council takes no responsibility for their competency. The contract will be between the applicant and the contractor and surveyor. If the applicant chooses to use a surveyor or contractor not on the recommended list, the council may refuse to pay the grant unless assured of the competency of the surveyor in property flood risk survey or the contractor in relation to the specific flood resilience or recoverability measures to be installed.
