## Coronavirus or COVID-19 measures

Candidates and agents should be aware that measures taken by the Returning Officer to mitigate the risks of COVID-19 will affect the operation of these elections.

The number of agents each candidate is permitted to attend events and venues will need to be limited, see the relevant sections of this guidance for more information.

Candidates are asked to appoint the same agent where possible, for example one political party may choose to appoint one agent to attend postal vote opening instead of one per candidate, or appoint one polling agent to cover multiple candidates at polling stations. Candidates standing at both City and County elections may choose to appoint the same agent to cover duties at both elections.

When attending events and venues, candidates and agents are expected to follow the safety measures in place. This may include:

- Wearing a face covering
- Frequent sanitising or washing of hands
- Following a one-way system
- Limiting the numbers of people attending a venue at one time

The Candidates & Agents briefing, and the Count briefing will both be held remotely via zoom. Invitations for this, and many other communications, will be sent by email so please contact us at [electoralservices@worcester.gov.uk](mailto:electoralservices@worcester.gov.uk) with your contact details and the Ward/Division you are interested in standing in. This will also allow us to keep you up-to-date with any last minute changes caused by COVID-19 mitigations or restrictions.

As part of your campaigning you may feel it appropriate to encourage electors to apply for a postal vote. If doing so please follow the following advice:

- Make sure electors are aware of all the voting options (in-person, postal, and proxy) so they can make an informed choice
- Use forms downloaded from gov.uk, the Electoral Commission website, or the City Council website. If using different forms you must ensure they are compliant with legislation regarding application forms.
- Please encourage the elector to apply directly to us, forms can be sent by post to the Guildhall or clear and legible scans or photos can be emailed to us. If you feel you have to collect completed forms yourself please deliver them to us without delay. Do not collect completed postal ballots.

- Please make sure electors are aware they must be registered in order to apply for a postal or proxy vote. They can contact us to check their registration status or can register online at [www.gov.uk/register-to-vote](http://www.gov.uk/register-to-vote)

## **1. Important Election Information about Nomination Papers**

Completed Nomination Papers CANNOT be submitted to the Returning Officer in the post, by e-mail or by fax.

The law states that they can only be HAND-DELIVERED to the Returning Officer by the Candidate, their Agent, or a person that they trust.

Any Nomination Forms or Consents to Nomination received by post have NOT been "delivered" in accordance with the rules.

The Candidate is therefore not deemed to stand nominated and no decision can be taken as to whether the papers are valid.

### **3. Candidates, Nominations, Withdrawal of Candidature and Appointment of Election Agents**

We recommend that you download and keep a copy of the Electoral Commission's Guidance on this topic: namely Parts 1, 2a (for Independent Candidates) / 2b (for Party Candidates) and Part 4.

#### **STANDING FOR ELECTION**

To be eligible to stand, you **must** be:

- Aged 18 or over;
- Either a British citizen, an eligible Commonwealth citizen, or a citizen of any member state of the European Union.

Secondly, you **must** meet at least one of the following four qualifications:

- You are, and will continue to be, registered as a local government elector in the local authority area in which you wish to stand from the day of your nomination onwards; or
- You have occupied as owner or tenant any land or other premises in the local authority area during the whole of the 12 months before the day of your nomination and the day of election; or
- Your main or only place of work during the 12 months prior to the day of your nomination and the day of election has been in the local authority area (providing the address of the place of work and where appropriate, the name of the employer); or
- You have lived in the local authority area during the whole of the 12 months before the day of your nomination and the day of the election.

If you qualify under more than one heading, it is good practice to include all those which apply.

You will be **unable** to stand as a candidate if:-

- You are employed by the local authority or hold a paid office under the authority (including joint boards or committees); or
- You hold a politically restricted post; or
- You are the subject of a Bankruptcy Restrictions Order or Interim Order; or

- You have been sentenced to a term of imprisonment of three months or more (including a suspended sentence), without the option of a fine, during the five years before polling day; or
- You have been disqualified under the Representation of the People Act 1983 (which covers corrupt or illegal electoral practices and offences relating to donations).

Full details can be obtained online from the Electoral Commission – [www.electoralcommission.org.uk](http://www.electoralcommission.org.uk)

The period of office for councillors elected is four years. **For seats that were due to be contested in 2020 the period of office will be 3 years.**

### **NOMINATIONS - SUBMITTING A NOMINATION PAPER**

**Restrictions on holding meetings in-person and staff working in offices, most communication will be by email or remote meetings. Please ensure that you provide email contacts for both candidate and agent so that we can keep you up-to-date.**

The first stage in running for election is to submit a nomination paper. When the nomination period closes, if there are more candidates than seats for that particular Ward, there will need to be a poll. If there are the same number or fewer candidates than seats for that particular Ward, those candidates will be elected unopposed.

To be validly nominated, you **must** complete and submit the following forms:

- Nomination Paper
- Candidate's Consent to Nomination
- Home Address form
- If you are standing as a candidate for a political party, you must also return the "Registration of Political Parties" Certificate and (if applicable) the "Request for Use of Registered Party Emblem"

The candidate's full name must be written on the nomination paper – initials alone are not permitted.

If a candidate wishes to use a description, it can only be one of the following:-

- one certified as an authorised or registered description as mentioned in Rule 5 of the election rules, or
- the word 'Independent'.

A candidate may not use a description/use an emblem which is likely to mislead voters into believing that they are associated with a political party, unless that description is authorised by a Certificate signed by or on behalf of the Party's Registered Nominating Officer. Any such request must be received by the Returning Officer not later than the latest time for the delivery of nomination papers.

Each nomination paper must be subscribed by a proposer, a seconder and eight assentors, who must be local government electors of the relevant Ward and have their electoral numbers (poll numbers) shown on the nomination paper.

**At time of publication, the UK Government intends to reduce the number of subscribers required from 10 to 2 due to the pandemic. Up-to-date information will be available on the City Council and Electoral Commission websites.**

One free copy of the Nomination Register of Electors may be supplied for the area in which the candidate is standing – a Register Application Form is available for download from the website.

If that person subsequently does not stand or is unsuccessful at the election, the Register must be returned to the Elections Office, or securely destroyed.

Please note that Candidates/Agents may only use their copy of the Register for electoral purposes and must not pass a copy of it on to any other person, or disclose information from it which is not contained in the open version of the register (which is available to the public). This is a strict legal requirement.

No person shall subscribe to more nomination papers than there are vacancies in that Ward or Division.

Candidates should ensure that their name and description are completed correctly BEFORE they seek a proposer, seconder or assentors. They should also offer the nomination paper for signature to each person, so that those candidate details are clearly visible, to avoid any confusion as to what they are being asked to sign. Usual signatures should be used and assentor names should be printed as signed.

Candidates should make anyone signing the nomination form aware that the details they provide will form part of the public record and be included in published notices.

Great care should be taken in the completion of nomination papers, to ensure that they are not ruled to be invalid by the Returning Officer. Candidates are advised to ensure that nomination papers are free of errors and crossings out.

Correction fluids are not recommended and could result in a nomination paper being declared invalid.

If candidates want to use a “commonly used name” on their nomination paper, they will also need to supply their full given name. Further guidance on the use of “commonly used names” may be obtained from the Electoral Commission.

Completed nomination papers must be submitted to the Returning Officer IN PERSON – not via the postal system - before the deadline for close of nominations – **4pm on Thursday, 8<sup>th</sup> April 2021.**

## **WHERE TO SUBMIT YOUR NOMINATION PAPERS**

### **Informal checks**

When delivering your nomination papers, it is advisable to wait for them to be checked by the Elections Team before you leave. This is because if an error is discovered, you will be able to take your paper away with you for correction and re-submission before the closing date and time.

The following dates will be used to carry out informal checks on nomination papers, please contact the Elections Team at [electoralservices@worcester.gov.uk](mailto:electoralservices@worcester.gov.uk) or on 01905 722530 to book a time slot. We anticipate that each nomination will require approximately 30 minutes for checking:

When your informal check is complete you will be asked if you wish to formally submit the nomination papers.

**If you or your agent would prefer not to attend informal checks in person please contact us. We can arrange to informally check papers remotely but please note that original nomination papers must be**

**submitted to the Returning Officer by hand in order for you to stand nominated.**

### **Formal submissions**

If you do not require an informal check, or you have had one and taken your papers away to make amendments, you can submit your nomination papers to the Returning Officer without an appointment.

Nomination papers must be delivered by hand to the Returning Officer, Electoral Services Office (Room F7), Guildhall, High Street, Worcester, WR1 2EY between 9am-5pm on the dates shown on the Notice of Election, and only until 4pm on Thursday 8 April 2021.

### **CONSENT TO NOMINATION**

Candidates must, on or within one month before the last day and time for the delivery of nomination papers, also deliver to the Returning Officer a signed "Candidates Consent to Nomination". The consent should contain a statement declaring that on the day of their nomination, they are qualified to be elected and provide details of their qualification. The consent must be attested by an independent witness. The nomination is not valid unless the consent, properly completed and attested, is delivered within the time stated.

### **HOME ADDRESS FORM**

All candidates must complete Part 1 of the Home Address form. If this form is not delivered, by hand, to the Returning Officer by the close of nominations deadline then the candidate nomination is deemed not to have been made.

If you do not want your home address to be published, you must also complete Part 2 of the form. For example if your home address is in the Worcester electoral area, you must put "Worcester." The Statement of Persons Nominated and the ballot paper will then state "Address in Worcester" in place of your address.

The name and address of the person who witnessed your Consent to Nomination must also be included on this form.

### **CLOSE OF NOMINATIONS**

The nomination period will close at **4pm precisely** on **Thursday, 8 April 2021**.

Statements of Persons Nominated for each area will be published on the Council's website as soon as they become available.

### **WITHDRAWAL OF CANDIDATURE**

Any candidate wishing to withdraw their candidature must do so in writing and deliver this to the Returning Officer.

It must be signed by the candidate and one witness, and must be received no later than 4pm on Thursday, 8 April 2021.

A Withdrawal Form, if required, is available to download as part of the nomination pack.

### **APPOINTMENT OF ELECTION AGENTS**

Candidates do not have to appoint an Election Agent. Where nobody has been appointed, the Candidate will be deemed to be their own Agent.

The appointment of an Election Agent must be in writing and be submitted by **4pm on Thursday, 8 April 2021.**

Candidates may change their Election Agent after that date, by giving notice in writing to the Returning Officer.

An Appointment Form, if required, is available to download as part of the nomination pack.

## **4. Postal and Proxy Voting**

We recommend that you download and keep a copy of the Electoral Commission's Guidance on this topic: namely Parts 4 and 5.

### **ADDITIONAL GUIDANCE**

Please note that the Electoral Commission's "Code of Conduct For Campaigners: Electoral Registration, Postal Voting, Proxy Voting And Polling Stations" is available to download on the City Council website.

### **POSTAL AND PROXY APPLICATION FORMS**

If during your canvassing, you meet an elector who wishes to vote by post, it is sometimes better to check with the Elections Team to see if that person already has a postal vote in place. Every year, we get a large number of duplicate applications, when people have simply forgotten that they have a permanent postal vote in place, or think that they have to re-apply.

Postal and proxy vote application forms can be downloaded from the Council's website – <https://www.worcester.gov.uk/councillors-democracy/elections>

Clear and legible scans or photos of application forms can be submitted to the electoral services team by email at [electoralservices@worcester.gov.uk](mailto:electoralservices@worcester.gov.uk)

### **DEADLINES FOR RECEIPT OF ABSENT VOTE APPLICATIONS**

The final date for new postal vote applications or written cancellation of existing postal votes, or amendment /cancellation of proxy votes, is 5pm on Tuesday, 20 April 2021.

The final date for new proxy vote applications is 5pm on Tuesday, 27 April 2021.

Any appointed proxy who wishes to apply to vote by post on behalf of the elector, must have submitted a postal proxy application form by 5pm on Tuesday, 20 April 2021.

The final date for late proxy vote applications on the grounds of a medical emergency is 5pm on Thursday, 6 May 2021.

**At time of publication the UK Government intends to introduce legislation to allow electors to apply for an emergency proxy if they are self-isolating. Up-to-date information will be available on the City Council and Electoral Commission websites.**

### **LISTS OF ABSENT VOTERS**

Any Candidate may obtain a list of absent voters (postal and/or proxy), by completing and submitting the appropriate form, available for download from the City Council website.

They are entitled to ONE list only, in either data or paper format. Ideally candidates should wait until the last date for postal voting applications (Tuesday, 20 April 2021) before submitting their request. Once a list has been issued, then any subsequent request will only contain the latest updates, rather than being a comprehensive list.

### **OPENING OF POSTAL BALLOT PAPERS**

Sessions for the opening of postal ballot papers will be held in the Guildhall, High Street, Worcester on the following dates:-

Friday, 23 April, 9.30am

Monday, 26 April, 9.30am

Tuesday, 27 April, 9.30am

Wednesday, 28 April, 9.30am

Thursday, 29 April, 9.30am

Friday, 30 April, 9.30am

Saturday, 1 May, 9.30am (Reserve session if required)

Tuesday, 4 May, 9.30am

Wednesday, 5 May, 9.30am

Thursday, 6 May, 9.30am

Thursday, 6 May, 7pm at the Count Venue, Perdiswell Leisure Centre.

### **RETURN OF POSTAL BALLOT PAPERS**

Candidates or their Agents should not collect postal ballot papers on behalf of any elector. Completed ballot packs can either be returned by post or in person to the Returning Officer in advance of, or on, polling day up to 10.00pm. Electors may also return their completed ballot pack to any polling station within the electoral area between the hours of 7.00am and 10.00pm on polling day.

## **5. Tellers, Polling and Counting Agents, Agents for Postal Vote Proceedings**

We recommend that you download and keep a copy of the Electoral Commission's Guidance on this topic: namely Parts 4 and 5.

### **TELLERS**

Some Candidates appoint Tellers to stand outside polling stations and mark off the poll numbers of electors who have voted. Tellers are not permitted to be inside the polling station other than to exercise their own vote or to vote as a proxy.

Tellers have no legal status and should concern themselves only with checking who has voted. Any other involvement with potential voters could give rise to the risk of allegations of exercising undue influence on voters.

A "Tellers' Guide in and Around Polling Places" based on guidance issued by the Electoral Commission can be downloaded from the City Council website.

**Given social distancing requirements during the pandemic and the possibility of electors having to queue outside, both the County and City Returning Officers ask that you do not employ Tellers at this election.**

### **POLLING AND COUNTING AGENTS**

The Returning Officer must also be informed in writing of any Polling Agent and Counting Agent Appointments by **Wednesday, 28 April 2021**. The appointment of any such Agents forms part of the statutory timetable and the deadline must be strictly observed.

Polling Agents may be appointed, but there is no requirement to do so. Their purpose is to detect personation in a polling station. No more than one Polling Agent may be admitted to a polling station at the same time on behalf of the same candidate, and no more than four Polling Agents may attend any particular polling station.

Counting Agents may attend the verification and counting of votes to observe the proceedings but are not allowed to touch the ballot papers at any stage of the proceedings.

The necessary appointment forms for both Polling Agents and Counting Agents can be downloaded from the City Council website.

**Polling stations and the Count venue will have reduced capacity due to social distancing requirements. Therefore, agent numbers may have to be restricted. The elections team will provide more information on permitted agent numbers after the close of nominations.**

## **AGENTS FOR POSTAL VOTE PROCEEDINGS**

A Candidate and their Election Agent may attend the opening of postal ballot papers without giving notice in advance, but in addition, named Agents may be appointed to attend the sessions held to open the postal ballot papers.

An appointment form is enclosed as part of your Nomination Pack, which must be received no later than the date and time fixed for the first opening session (**Friday, 23 April 2021, 9.30am**) or the date and time of the session the Agent wishes to attend.

Attendees will be required to sign "in" and "out" on each occasion that they attend to observe the postal vote opening process.

**The Postal Vote opening venue will have reduced capacity due to social distancing requirements. We ask that candidates consider appointing one postal vote agent per political party.**

## 6. Polling Day

The hours of poll will be 7.00am to 10.00pm inclusive. There are however various statutory provisions for a poll not to take place or to be abandoned/adjourned in the event of the death of a candidate or a riot.

### POLLING STATIONS

The location of polling stations will be published on the appropriate Notices of Poll, as well as appearing on the Council's website.

Please note that entry to polling stations is restricted to the following parties only:-

- The Returning Officer and his appointed staff
- The Presiding Officer and Poll Clerk(s)
- Voters (and any persons assisting a voter with disabilities)
- Candidate
- Election Agent
- Polling Agent

### VERIFICATION/THE COUNT

There will be a Briefing for Candidates and Agents on Verification and Count. This will be on **Monday, 26 April 2021** to be held remotely. Candidates and Agents will be sent invitations by email.

The venue for both the Verification and Counting of Votes will be Perdiswell Leisure Centre, Bilford Road, Worcester, WR3 8DX.

Due to social distancing measures the Verification and Count will be undertaken by less staff than in previous years and so will be carried out over a longer period.

Verification of postal ballots will begin on **Thursday, 6 May 2021** at 10pm.

Verification of polling station ballots will begin on **Friday, 7 May 2021** at 10am.

Counting for the County Council and City Council elections will begin on **Saturday, 8 May**. Times to be confirmed.

Counting for the Police & Crime Commissioner election will begin on **Monday, 10 May 2021**. Time to be confirmed.

The necessary appointment forms for both Polling Agents and Counting Agents can be downloaded from the City Council website.

Those attending the Verification/Count must present their letter of admittance prior to gaining entry to the venue.

**Please note that, due to the restriction on numbers at the venue, no guests will be permitted. The number of Count Agents permitted will not be finalised until after the close of nominations but will likely be limited due to social distancing requirements.**

The Returning Officer must also be informed in writing of any Polling Agent and Counting Agent Appointments by **Wednesday, 28 April 2021**.

## **7. Post-Election Matters**

We recommend that you download and keep a copy of the Electoral Commission's Guidance on this topic: namely Parts 3, 4 and 6.

### **DECLARATION OF ACCEPTANCE OF OFFICE**

Successful candidates are not permitted to act as a Councillor until they have made a Declaration of Acceptance of Office. City Councillors will need to sign the Declaration of Acceptance of Office prior to the Annual Council Meeting on Tuesday, 18 May 2021. Successful candidates will be provided with more information on the arrangements for completing the Declaration.

County Councillors will need to make contact with County Council staff to arrange their paperwork. A County Council staff member will be in attendance at the Count to provide you with a welcome pack.

### **RETURN OF ELECTION EXPENSES**

Despite the term "expenses", election expenses are not refundable. They relate purely to the costs that a candidate can legitimately incur in promoting his/her candidature, and form a legal document which is made available for public viewing.

Each Candidate (whether successful or not) must complete and return a declaration of election expenses incurred during their campaign. It is a legal requirement to complete and return one – even if it shows a "nil" return. Failure to do so is a reportable electoral offence.

Election expenses are required to confirm that any expenses incurred by the Candidate do not exceed the authorised amount. The level of campaign expenditure is set at £806 plus 7p per each registered Ward elector (or other amount if amended by the Electoral Commission following publication of this document).

Forms for the return of election expenses are contained within your nomination pack.

County Council candidates that stood in Divisions within Worcester City should submit their returns to the Worcester City elections team who will hold it on behalf of the County Council Returning Officer.

A breakdown of the amount permissible for each Ward and Division is set out below. Expenses are based on the election fee of £806 plus 7p per registered elector on the Nominal Register (March).

### **DEFINITION OF A CANDIDATE**

A person becomes a candidate at an election under the Local Government Act either:-

- On the last day for publication of the notice of election if on or before that day he has been declared by himself (or by someone else) to be a candidate; or
- On the day on which he declares himself (or is so declared by someone else) to be a candidate; or
- On the day on which he is nominated as a candidate at the election (whichever is the earlier).

### **CANDIDATE'S LITERATURE**

Any candidate wishing to publish and distribute election literature should ensure that it bears the name and address of the printer and publisher on it. Please refer to Part 4 of the Electoral Commission's guidance, on this issue, as failure to display the names and addresses of the publisher/printer/promoter (as appropriate) on election material is an illegal practice.

Election material must not be "fly posted" on the highway, on street furniture or any public property. If it is to be displayed on private property, the permission of the owner must be sought in advance. Any such advertisements, posters, etc. relating specifically to a pending election must be removed within 14 days following the close of the poll.

### **CORRUPT AND ILLEGAL PRACTICES**

There are a number of corrupt and illegal practices that candidates should be aware of. Broadly speaking, a corrupt practice involves bribing or using undue influence to obtain votes. An illegal practice might involve the making of a false statement about the personal character or conduct of another candidate, or paying others to canvass, display notices or pay for transport for voters to and from the polling station. Failing to display the names and addresses of the publisher or printer on any election material is also an illegal practice.
