

Conditions for Hire of Pitches

1. Allocation

Clubs will receive confirmation of their allocated site(s) and pitch prior to the start of each season. **Clubs must play on their allocated pitch only.**

2. Bookings

A pitch must always be booked via e-mail to football@worcester.gov.uk by mid-day of the Tuesday preceding the game. Failure to book a pitch or pay by the deadline could result in your team being unable to play.

3. Cancellations

Pitch cancellations must be made by 12.00noon of the preceding Wednesday, or in the event of a match being cancelled by the City Council or by the Official on the day, by the following Monday, subject to confirmation of cancellation by the League(s). Refunds or re-instatement to a seasonal allowance will not be made in any other circumstances. The Council also reserves the right to levy a 50% cancellation charge.

4. Pitch conditions/information

Information regarding pitch condition/cancellations can be obtained via e-mail to football@worcester.gov.uk; the subject must be set to 'Football Update'; this will generate an automated response detailing forthcoming matches and pitch information.

5. Seasonal Hire - VAT Implications

The seasonal hire rate is based on alternate weeks use of the allocated facility throughout the season. Additional games in excess of the allowance are chargeable at the Casual rate. Your attention is drawn to the VAT Act 1994, Schedule 9, Group 1, Note 16, which states that should a club cancel a game for any reason, and therefore not play within 14 days of their last game, they do not qualify for VAT exemption on their booking.

6. Payment

Payment for both Seasonal and Casual hire will be by debit/credit card only. If card details change or there are insufficient funds available, it is the teams responsibility to provide the Council with alternative account details at the time of booking. Failure to do so will result in your being unable to hire a pitch.

7. Unauthorised use

Any team found to be playing on a City Council pitch without a prior valid booking will be charged at the prevailing rate and may be refused further use of Council pitches.

8. Affixing of Nets

On **NO** account must adhesive tape be used to affix nets to goal posts. Please use re-useable 'Velcro' type fixings or 'net clips' **at all times**. A fine of £25 per occasion may be levied for non-compliance.

9. Notifications

Booking confirmations/cancellation notifications will be sent out by e-mail only. A valid e-mail address must be provided on the Pitch Hire Agreement. Please ensure you have a valid copy of your confirmation at the venue on match days.

10. Parking

No vehicles are to be driven or parked on any grass area.

11. Changing facilities

Changing facilities must be left tidy after use. Any damages and/or additional cleaning will be chargeable at cost and teams may be denied further bookings.

Under NO circumstances must football boots be worn in the changing rooms. A member of each club that play at Warndon Park or King George V must report to Reception on arrival; where they will be allocated changing facilities and pitch number(s). A key may be allocated for which a refundable deposit will be payable.

12. Insurance, accidents and injuries

The club(s) shall indemnify Worcester City Council against any accidents or injuries arising from the clubs use of the allocated facilities. Clubs should advise players of the risks associated with the game and the possibility of third party claims resulting from players actions.

13. Under 16's

Clubs running teams for under 16's may be required to comply with additional procedures before using a City Council pitch.

14. Service Level Agreement

Pitches shall be cut once per week during the season as required. Posts shall be independently checked at the beginning of the season for safety. Lines shall be marked during the season on a three week rotation. Corner flags and nets are not supplied. Senior goal posts only supplied.

15. Conduct

Clubs must ensure that their players and supporters behave in a respectful manner towards other players, supporters and residents.

16. Litter Pledge

By signing this Pitch Hire Agreement, you are committed to ensuring that you remove all litter from the site after your match to be disposed of responsibly. Failure to do so may result in the City Council seeking to recover its costs from the Club in addition to potential exclusion from future pitch bookings. **CLUB SECRETARY/TEAM MANAGERS** are responsible for the removal of litter generated from the playing of their fixture.
